

ASHE-TRIKO VALLEY 2017 SCHOLARSHIP APPLICATION

The ASHE-TRIKO VALLEY section will be making scholarship awards to college enrolled students. It is anticipated that the awards totaling Two Thousand Five hundred dollars will be awarded annually. The size of this amount requires that a formal procedure be in place and rigorously adhered to. It is recommended that the procedure be developed and amended as necessary by the Scholarship Committee.

There are essentially five components of the scholarship process to insure a successful scholarship program. They are as follows:

1. Advertisement

- 1.1 In order to ensure maximum participation it is necessary to disseminate facts relative to the existence and details of the scholarship program.
- 1.2 We will announce the scholarship and have the application packet be posted on the ASHE website.

2. Eligibility and Application

- 2.1 The following eligibility criteria are as follows:
 - 2.1.1 College student who is expecting to graduate from a transportation or construction related program within the next two school years.
 - 2.1.2 Students are attending the following schools: University of Dayton, University of Cincinnati (College of Engineering and Applied Sciences), Cincinnati State and Technical College, and Northern Kentucky University or students who are full time residents within the ASHE TRIKO Valley geographic areas of southwest Ohio, northern Kentucky or southeast Indiana.
- 2.2 It is recommended that applications be developed that appropriately evaluate the applicant's suitability for the award. It would be worthwhile to research other award program applications to obtain ideas. It is recommended that the Scholarship Committee develops the application form and modifies it, as necessary, over time.
- 2.3 Applications will be made available during the 2016-2017 school year to allow the applicant time to prepare the application.
- 2.4 Applications should be received by a date that will allow for a review period of one month, with award decision and award notification no later than June 30, 2017. If decision is made prior to Golf Outing, presentation to winner(s) will be at annual Golf Outing in June.

3. Review

- 3.1 The scholarship committee should include at least 3, but no greater than 5 committee members.
- 3.2 The committee will review applications and discuss individual analysis collectively.
- 3.3 The committee will determine the winner(s) and the TRIKO Valley BOD will award scholarships.

4. Award

- 4.1 The award would be one (1) \$1500.00 Scholarship and one (1) \$1000 Scholarship.

5. Distribution

- 5.1 The award distribution would be made directly by check to awardees.
